

Tic-Tac-Toe

Game Suggestions:

Traditional Tic-Tac-Toe

Accessories: Plastic rings and cones

The game is played with two players. One player uses Rings and the other player uses cones.

The player who is using cones goes first. That player places a cone in any of the nine sections of the grid.

Now, the other player places a ring in any unused section of the grid.

Alternate turns until one player has all three of their symbols in any row or diagonal. Or until all spaces of the grid have been used.

Accessories: Chalk and Bean bags

Fill the 9 fields in the square with; Nouns, Verbs, Adjectives, Prepositions, Proper nouns and 3x chance.

Construct a throw line at a suitable distance from the square.

The game is played with two teams, playing against one another by throwing a bean bag from throw line. The team that throws the bag must answer with a word from the "hit" word class.

Before starting, it is agreed which "initial letter" the task is to be solved with.
